

Riley Brown

rydb@proton.me · rbrown71@nebraska.edu · ry3b.github.io · github.com/ry3b

Education

University of Nebraska-Lincoln

B.S. Mathematics and Computer Science

Expected May 2027

Lincoln, NE

Budapest Semesters in Mathematics

Study abroad, mathematics

[dates?]

Budapest, Hungary

Research Experience

Research Assistant — pseudorandomness

North Carolina State University

Present

Raleigh, NC

Research Assistant — 3-uniform hypergraphic degree sequences, FPT

algorithm feasibility

Budapest Semesters in Mathematics

[dates?]

Budapest, Hungary

Summer Researcher — algorithm design

Harvey Mudd College

[dates?]

Claremont, CA

Undergraduate Researcher — tiling theory

University of Nebraska-Lincoln

[dates?]

Lincoln, NE

Selected Coursework

Mathematics. Bijective Partition Theory, Discrete Mathematics, Matroid Theory, Advanced Combinatorics, Conjecture and Proof, Discrete and Convex Geometry, Graph Theory, Group Theory, Probability Theory, Stochastic Processes, Elementary Analysis, Intro to Modern Algebra, Linear Algebra, Differential Equations, Multivariable Calculus, Math in the City

Computer Science. Development and Analysis of Algorithms, Automata, Computation, and Language, Data Structures and Algorithms, Data Analysis, Math for Machine Learning
